Gentlemen:

You will find enclosed an executed Declaration of Exemption for a mining operation to be commenced in Wayne County, Utah.

The proposed mining during the calendar year of 1984 will involve less than two acres of land.

It is proposed that gypsum will be extracted from the mining claims, White Lilly No. 8 and White Lilly No. 29. The claims are located on U.S. Forest Service land in Section 24, Township 29 South, Range 3 East, Wayne County, Utah.

Mining plans have been filed with the Forest Service and approved.

We are also enclosing a map of the general area to indicate the location of the properties.

Sincerely yours,
